

READY TO USE

Our top-selling carts are delivered on pallets, always ready to use: whether displayed in store on practical pallets or at home, they are preassembled and come complete with hose, spray nozzle and all the accessories you need.

A solution that enhances product visibility and promotes self-service purchases.

QUBO PRONTO 25

8924

Ready-to-use hose cart with a new design, equipped with a smaller drum (41 cm wide) to make it easier to use in narrow spaces.

The telescopic handle is easy to close away by pressing on the two side levers.

Aluminium structure.

Carved wheels to move easily over any surface.

Supplied with:

- 25 m 1/2" (12-17 mm) Silver Elegant Plus hose,
- hose rack holder, 4 automatic couplings (one with aquastop),
- spray nozzle,
- tap connector.
